the hope of the world."

Tax London Engineer, which nually, has lately discussed flying machites in a scientific way, comes ceived or expended on Queen Vic. FLANNEL COMFORTERS, to the conclusion that there is no toria, and the other members of combination of wings or arrange- the royal family is £893,382. ments of any kind which will enable a man to fly with his own strength. He lacks muscular be held at Louisville, Ky., beginpower to practice the accomplish. ning August 1, 1883, and continument in which the birds are so ing one hundred days. proficient. And even if machines are devised to compensate for the Oregon State Woman Suffrage that lack of power and endurance, association convenes in Portland they will not be successful unless to-day. they shall be so constructed that each pound of the machine will develop as much energy as each pound of a bird. "Not till then," says this engineering critic, "can flight for man be achieved."

Rev. Mr. Twing, has a system by which the borrors of sea sickness are prevented. He appromahes the sufferer unawares from behind, places his hand upon the patients head, and speaks in an assuring tone of voice. This puts the passenger into a trance, his area is ended, he is supremely sappy. The doctor then prononnees the words "all right," which instantly restores the sick man to sense and health, enabling him thereafter to enjoy full meals of victuals without let or binderance. Should the system come into general use the profits of the O. R. & N. company's steamers will be materially diminished.

SPEAKING for the south, the New Orleans Picayune says: "There is an extended belief that a reciprocity treaty with Mexico means annexation. We ourselves cannot see any other result. Once break down the barrier of custom houses and tariffs; once permit our people to accustom themselves to free and unrestricted intercourse. with Mexico in regard to tobacco, machinery and sugar, and no power on earth can arrest further and more intimate political connoc

The diversity of laws between the different states of the Union is a constant inconvenience, and has led to frequent demands, daily He has been Preprietor of the "Aurora growing stronger for an inter-state code, or such concerted legislation as will lead to uniformity in legal process. Comprehensive legislation would be to all extents and purposes a code, but uniformity of law cannot be enforced by a common superior, for there exists nothing of the nature legally competent.

Denixe the recent rial of Jack Vincent at Chehalis for murder, while District Attorney McFadden was making his opening speech to the jucy. Vincent and the deputy sheriff stepped out to get a drink. Shortly afterwards Judge Green discovered their absence and a halt was made until Vincent was brought back. During the evening Jack and the deputy visited saloons and set 'em up for all the boys that would drink.

THE hope that a ten cent cigar can be purchased for five cents is prominent among the reasons why the St. Louis Post Dispatch wants a Mexican reciprocity treaty.
